“A maneira mais simples de garantir a formação de crianças letradas é ensiná-las a ler e mostrar-lhes que a leitura é uma atividade prazerosa. E isso significa, muito simplesmente, encontrar livros de que elas gostem, dando-lhes acesso a esses livros e permitindo-lhes que os leiam.”

"O hábito de ler não faz necessariamente com que sejamos melhores pessoas, mas ensina-nos a observar com o olhar da mente a vastidão do mundo e a imensa variedade de situações e seres que o habitam. As nossas ideias tornam-se mais ágeis e a nossa imaginação, mais luminosa."
